

FAA-Licensed A&P Helicopter Mechanic

Sweet Helicopters, a growing Part 135 charter helicopter company based in Fort Wayne, Indiana, has an immediate full-time opening for an FAA-Licensed A&P Helicopter Mechanic to assist in maintaining their premium fleet of helicopters.

This is a unique opportunity for a long-term position with an established, stable, and highly reputable industry leader, working alongside the Director of Maintenance and operating primarily out of Indiana and the surrounding states.

Fort Wayne is the second-largest city in Indiana and has recently topped multiple best-places-to-live lists including: most affordable, hottest real estate markets, and best place to raise a family. Sweet Helicopters' owner, Chuck Surack, also owns a number of other successful companies, including Sweetwater Sound, the world's leading music technology and instrument retailer.

Work on one of the Midwest's most modern fleets of helicopters, including three Airbus H130s, an AS350B3e, and an AgustaWestland 109S, all of which are equipped with the latest and best avionics and safety features. Additional perks include:

- Fast-paced, safe, and positive work environment
- On-site, free medical clinic staffed with an MD, an on-site free fitness center staffed with a personal trainer, a full service salon, diner, coffee shop, and much more
- Competitive salary commensurate with experience/training
- Small, family-friendly company with full, generous benefits, including health and retirement
- General business hours with minimal travel required
